Aims and Scope

VNU Journal of Science: Computer Science and Communication Engineering publishes *double-blinded* peer-review research papers, communications and reviews dealing with: Computer science, Software engineering, Computer engineering, Information systems, Computer networks, Electronics and telecommunications.

Publication Information

The journal publishes *quarterly in June, December* by the Vietnam National University, Hanoi. As a fully open access publication, the journal will provide maximum exposure for published articles, making the research available to all to read and share. A corresponding print version is also available.

Any manuscript followed the journal's scope and author guideline will be assigned to managing editors. All manuscripts undergo an editorial screening and a double-blinded peer review by at least one independent expert in the field. The managing editors make an editorial decision, which is subject to endorsement by the Editor-in-Chief.

Further Information is available through the journal website: <http://js.vnu.edu.vn>
